JOIN OUR TEAM!

### **Background & Role**

*About Bauercrest:* Camp Bauercrest is an overnight sports camp for boys located on the shores of beautiful Lake Attitash in Amesbury, Massachusetts. Since 1931, Bauercrest has helped boys build self-esteem and independence, both on and off the field, under the guidance and leadership of a dedicated staff. Counselors are responsible for managing and supporting a designated group of campers.

Bauercrest offers a safe, enjoyable, and meaningful camping experience for every camper. Our goal is to build a boy's identity and self-esteem both on and off the field through the commonly held values of Sportsmanship, Teamwork, Accountability and Resiliency (our S.T.A.R. principles). Our facilities are top notch and include a competition swimming pool, a newly renovated waterfront including activities like tubing, waterskiing, canoeing, and sailing. We also have fishing and more. Our illuminated fields allow us to play our sports at night and our state-of-the-art Ninja Warrior course is another option campers love. Our air-conditioned rec hall has a full-size basketball court and a stage for performances.

*Role:* As an overnight Camp Counselor, your main role is the safety and well-being of all our campers. You will have the opportunity to make a difference in a child's life. This will be hard work and the more you put in, the more you will get out of Bauercrest. You will have 1 or two other counselors in your bunk of 8-12 campers in your care. Working on staff at Bauercrest is an extraordinary experience from the endless games, cheers, and programs you'll create and lead, to the countless boys who will look to you for leadership and support. It will be one of the most rewarding jobs you'll ever have.
